Tom Karen Car Design Template
Wedge - Bond Bug Style Design

TOM KAREN
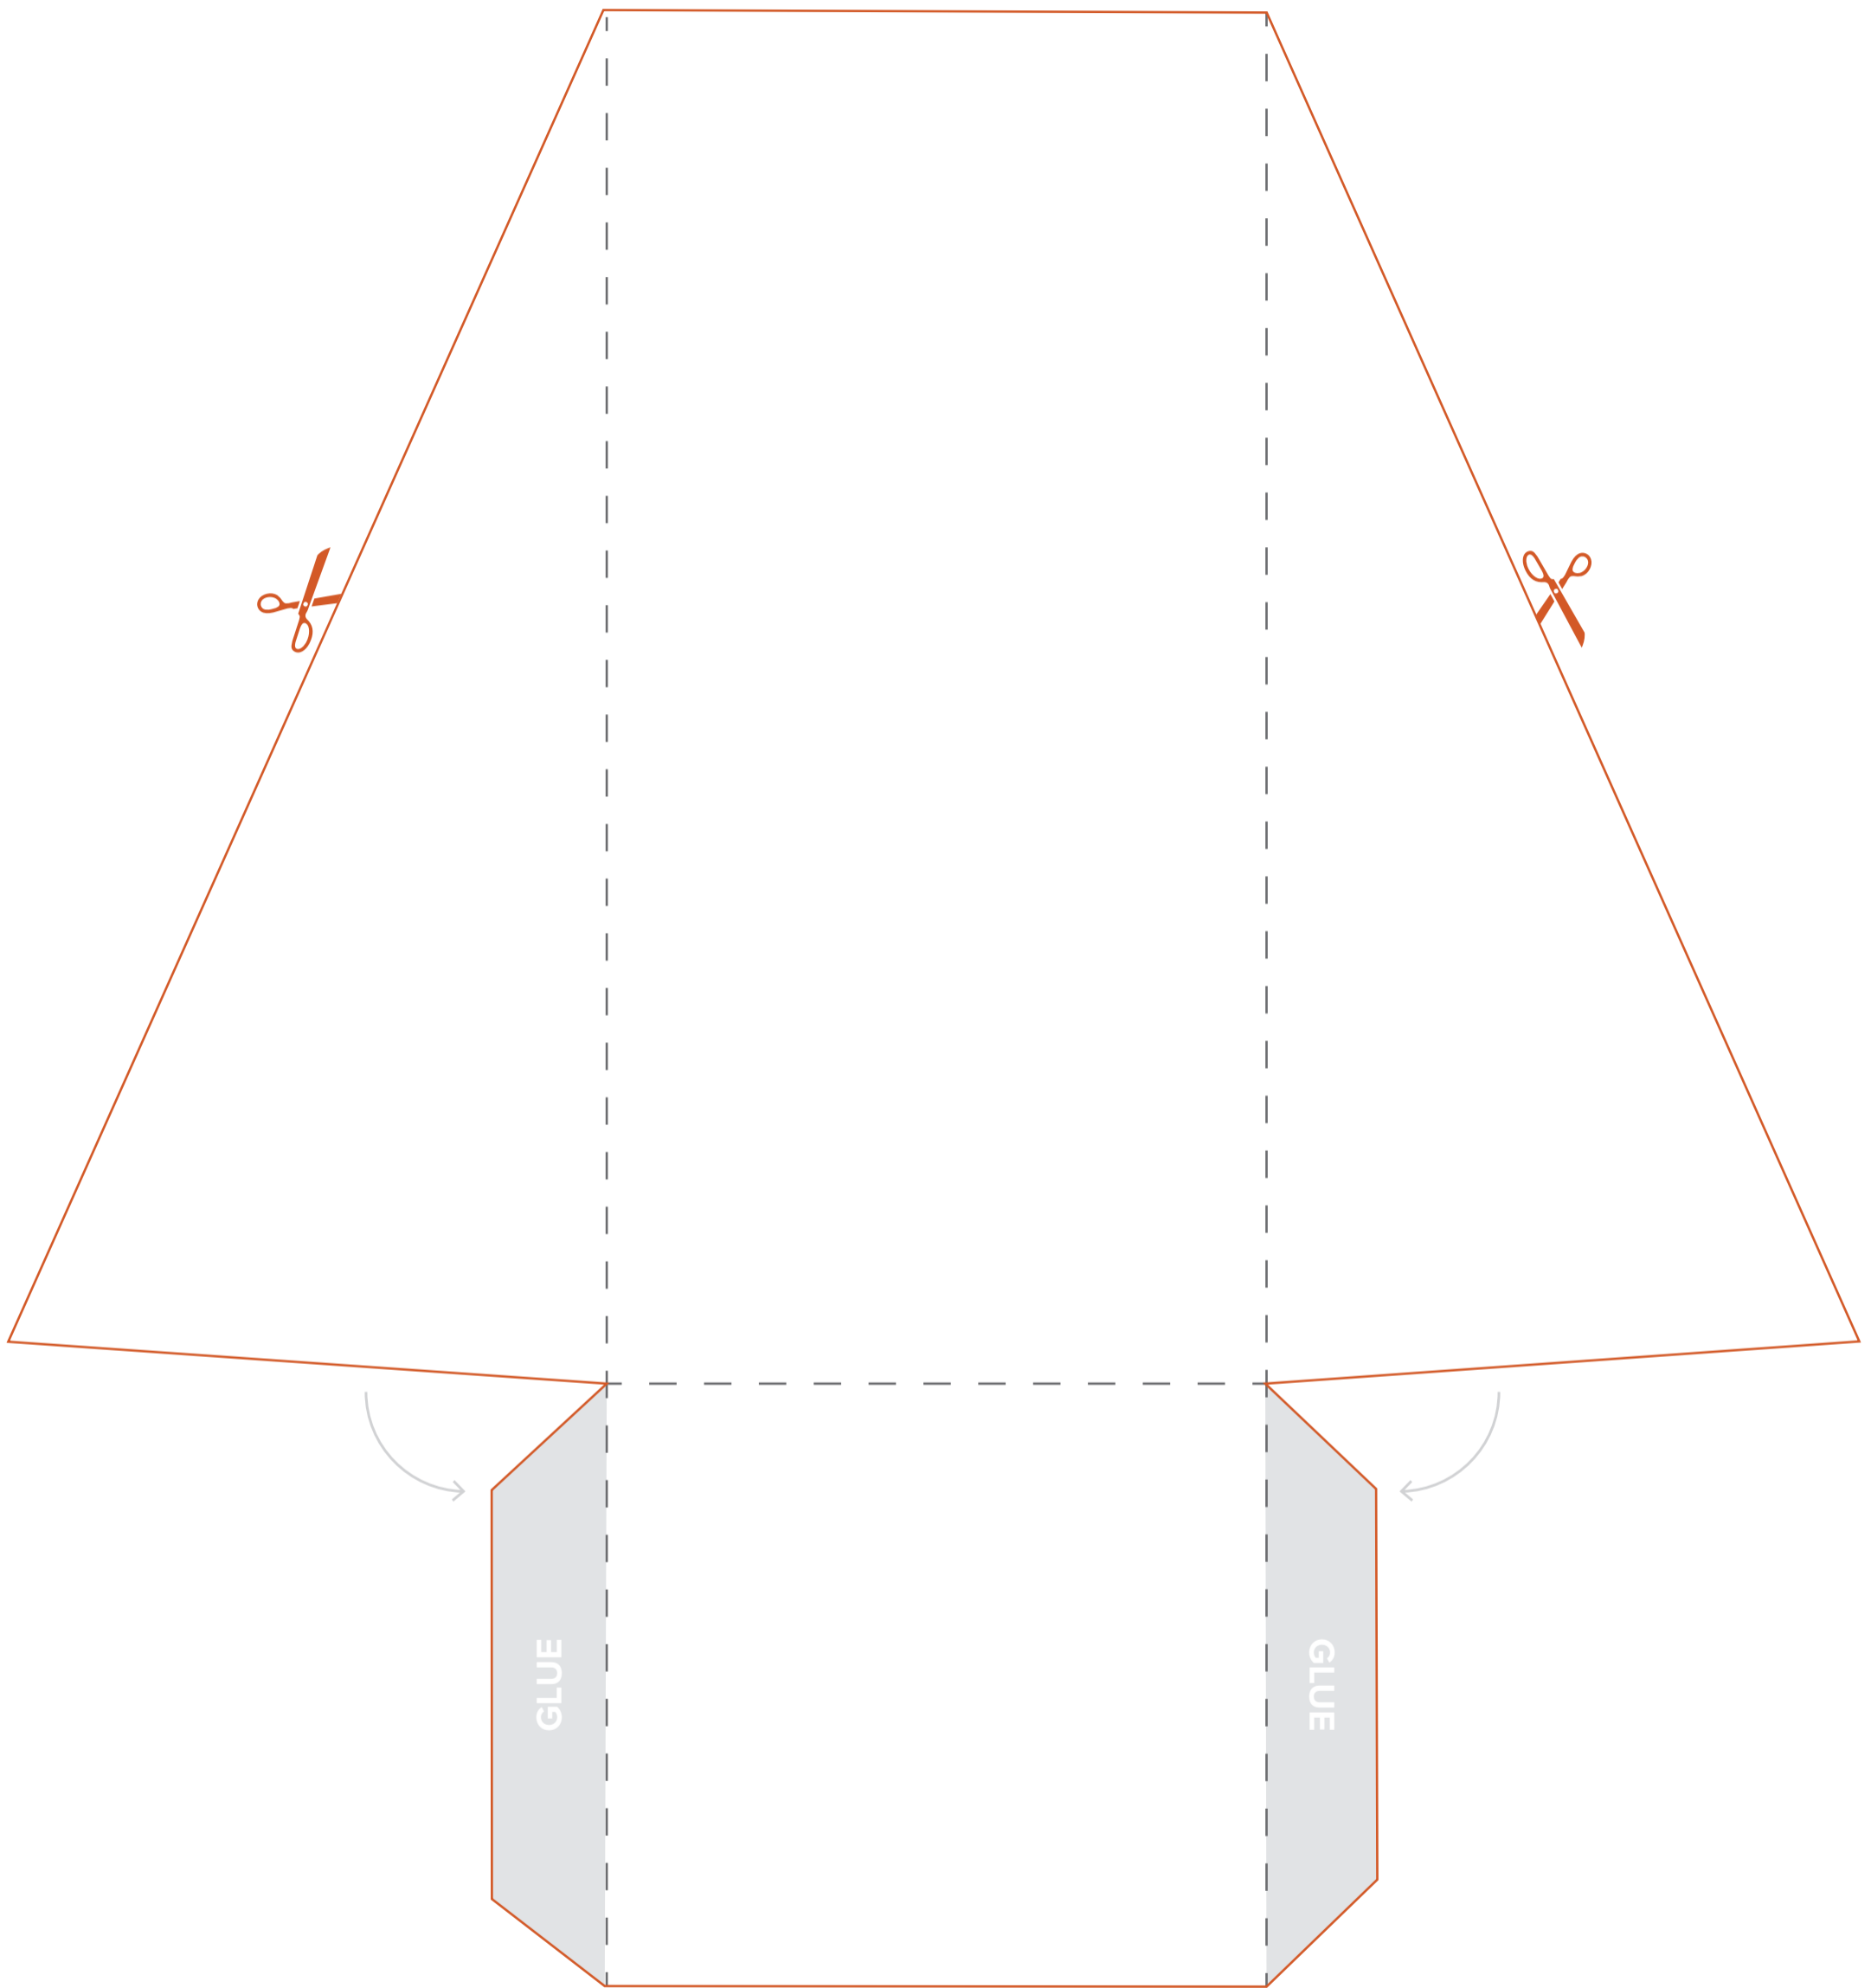

GLUE

GLUE

1. Cut out the solid **ORANGE** lines.
2. Decorate the white space with your car design. Don't forget to add in windows!
3. Laminate your shape while it is flat.
4. Score and fold the dotted lines.
5. Glue the **GREY** tabs to the inside of the side panels.
